Dear Mayor and Dallas City Council members,

As a stakeholder in the Dallas Arts District, Dallas Black Dance Theatre endorses the request from Graham Greene, LaReunion TX and Flora Street Lofts Ltd. for a resolution of support for their application for low-income housing tax credit allocation for Flora Street Lofts. We have been advised that this project would provide affordable rent for promising visual and performing artists here in our neighborhood, the Dallas Arts District.

We believe this project has the potential to make a positive impact on the Arts District by providing additional residential and economic diversification of housing for the area. The concept and plan as proposed is a good model that supports the vision for the future growth and development of the Arts District.

Thank you for your serious consideration of this project.

Sincerely,

Zenetta S. Drew
Executive Director
