Mr. Tim Irvine, Executive Director
Texas Department of Housing and Cultural Affairs
P.O. Box 13941
Austin, TX 78711-3941

Dear Mr. Irvine,

It is with pleasure that we join our many neighbors in the Dallas Arts District and offer the Dallas Symphony Association's support for the first phase of the Flora Street Lofts project.

We agree that it is important to support the promising careers of talented artists. The Flora Street Lofts will encourage their development by providing both affordable and market rate housing for artists and their families in the Dallas Arts District.

We are encouraged about the diversity and street life that this project will help create in downtown Dallas. Not only will the artists and their families provide vitality, but also the street level retail, dining, and the additional public parking in various stages of the development will be beneficial to the residents of the Dallas Arts District and the citizens of Dallas.

Sincerely,

Jonathan Martin
President & CEO
Dallas Symphony Association
