To promote and support dance in North Texas

2/26/13

To Whom this May Concern:

On behalf of the Dance Council of North Texas (DCNT), I write this letter in full support of the Flora Street Lofts Project, an essential development for the Dallas Arts District.

The DCNT supports and promotes dance in the Dallas and North Texas region. We serve the dance needs of a broad spectrum of abilities, ages and cultures. DCNT advocates for the growth of dance and all the arts in the Dallas community. With this mission in mind, DCNT wholeheartedly stands behind the entire conception of the Flora Street Lofts.

With the establishment of affordable housing for local artists in the heart of the city, the downtown arts district will not only become a true home for the arts and the artist, but it will undoubtedly flourish as an arts district should.

With the sound partnership of an established firm as La Reunion TX, the Flora Lofts Project will have an invaluable impact on the economic infrastructure and quality of life status for the residents and visitors of Dallas.

The Dance Council of North Texas is proud to support the Flora Street Lofts Project!

Thank you in advance for your support of this wonderful concept.

Sincerely,

Pam Deslorieux
